

The Texas 88th legislature filed SB17, which bans DEI policies and programs at all public higher education institutions. DEI initiatives and strategies aim to increase the diversity of students and faculty across higher education institutions.

Below is some information about student and faculty demographic data in Texas overall and its universities.

## TEXAS IN 2020:

Total Population vs. Tenure & Tenure Track Faculty

18-24 year olds by Race/Ethnicity Intersectionality with Graduate/Undergraduate Students
